

LAKELAND 100 PROFILE Leg 2

different at 2.5 – 4.7 – remove due to getting lost and re-tracking back to point where I went off course

Legs 3 and 4 below

Leg 5

Leg 6

Leg 7

Leg8 different at

3.9–4.5 miles, remove due to missing turnoff and going heaps higher before re-tracking back to missed turnoff point

Leg 9

Leg10 different

after 3.0 miles, as was at different wall corner and with 20 metre visibility didn't realise this, so took a different route down to CP10 following the ridge first before dropping down to lake opposite car park.
